

Applicant: Reijo Jokinen et al.
Application No.: 09/913,901
Art Unit: 3743

Remarks

Claims 28–35, 37–56, and 58–78 remain pending in the application. Additional claims have been added which depend on independent claims which have been allowed. A surplus comma has been removed from claim 48.

Applicant believes that no new matter has been added by this amendment.

As these amendments do not substantively expand the scope of the claims it is submitted that entry of the amendment under 35 CFR §1.312(a) is appropriate. Favorable action thereon is respectfully solicited.

Respectfully submitted,

Patrick J.G. Stiennon, Reg. No. 34934
